

Ferrari 308 GTS

1981 EURO-SPEC MODEL

Mileage:	33,500 miles
Colour:	Silver
Engine:	V8 2926 cc
Power:	255 bhp
Chassis:	Tubular
Brakes:	Ventilated Discs
Transmission:	Dry single-plate clutch 5-speed gearbox ZF Limited-slip differential
Length:	423 cm
Width:	172 cm
Height:	112 cm
Wheelbase:	234 cm
Top speed:	252 kph

Full service recently completed including cam-belts.
This example represents the last of the 308 carburetted versions with full history and file kept from first owner.

The most powerful of the 308 models, this GTS variant is a fine nostalgic example of one of Ferrari's classics.
