The 308 was capable of producing 255 bhp from its 3 litre v8 caburetor engine.

The 308 was Ferraris first two seat v8 road car. Made the public in 1975 it was the long awaited successor to the incomparable Dino 246 GT.

The 308 series was a new beginning for Ferrari as the premier builder of exotic sports cars for road use.

This car is a CLASSIC. It is a 1983 model delivered to Australia in March 1983. The owner has spent over \$25,000 in that time to maintain the vehicle which is kept in excellent condition mechanically and cosmetically (all service details available) Fully restored leather interior and fully restored original wheels and new michelins on the vehicle. Buyer has the option to purchase set of 4 as new 18" simmons 2 piece wheels . Recent full service including belts completed original complete service books and tool kit.

\$69,500
