Top speed:	265 kph

White often considered the final evolution of the 308 series, the 328 was a substantially new car. Extremely high performance, incredible Pininfarina styling, improved road holding and greater comfort, ensured the 328's desirability.

The 328 easily became the most successful model in Ferrari's history to that time. It remains highly sought after sports car almost two decades after its introduction.

Great Drive, prestine and immaculate condition.
