The Ferrari F355 is a sports car built by Ferrari from May 1994 to 1999

One major difference between the V8 in the 348 and that in the F355, apart from the displacement increase from 3.4 to 3.5 L, is that the F355 features a 5-valve per cylinder head and that it is considerably more powerful

Every Ferrari Enthusiasts favourite the 355 is sure to turn heads .

This Ferrari 355 Gts is a concourse winner, black on black with factory carbon seats, gold calipers , books complete service history in impeccable condition.
